

# Gathering Clues Starts with YOU!

Hint: uncover the situation

Situation =  
place + people + what's happening

## Make a magnifying glass that matches your style

1

Trace a magnifying glass onto a piece of cardboard and decorate it with anything you like!

## Use your magnifying glass

2

Practice using your own magnifying glass to look around your environment

## Now gather clues about the situation:

3

- where are you?
- who are the people around you?
- what's happening?

## Remember!

Situation = place + people + what's happening
